

Out Of The Ashes

The legend of the Phoenix,
Which rises ever true,
After burning what it was, there,
Rises ever new.

Our Consciousness, our Being,
Evolves in the same way,
Brand new it rises forth again,
The old, no more, holds sway.

Constantly evolving,
Each birthing brings new sight,
Clears away mind's ignorance,
Increased, God's golden light!

Stay in that Place of Union,
Where the One True Mind comes through,
Where God's true evolution,
Unfolds itself to you.

Love is the renewing power,
Dismantles ego's spin,
Consciousness now free to rise,
Renewed, though love, again.

You're not in charge of any of this,
God's laws bring this about,
Stay joined with Me in Mind, dear,
You'll evolve with love, no doubt.

Remember we are One, dear,
Stay joined, remember true,
Your evolution's path, dear,
Raises more than you!

In closing, know I love you,
We share such harmony!
Always. I am with you,
Alone, you'll never be.
