

Unfettered Union

Clear out your cluttered mind, dear,
Let go what's useless there,
Your inner sanctum now prepared,
For *love*, which we will share.

Prepared and oh so willing,
In peace, mind's natural state,
We join in blissful union,
As One, we co-create.

Not physical, this union,
But spiritually, it's done,
A blissful state beyond compare,
In love, we flow, as One.

We flow as One with Source, dear,
Transcendancy, God's Mind,
Flows forth in all its bounty,
True purpose here we find.

Congruent and aligned, dear,
Love's light leads bright the way,
Following God's Will becomes,
How you live each day.

It's in our peaceful joining,
You let go ego's scheme,
Your life fulfills its purpose,
You follow love's true beam.

So at this very moment,
Freely, turn to me,
In our unfettered union,
'Tis where you're meant to be!

In closing, let Me state again,
What you by now have known,
I am with you always,
You are not alone.
