

The Present Moment

The physical realm, it will conclude,
When the time is right,
'Tis God who moves you forward,
Into His heavenly light.

Your journey there not over,
Yet coming towards the end,
Dwell on *the present moment*,
With Me abide, My friend.

Together, we will live each day,
Joined in truth, in Mind,
Joyfully unfolding,
God's meaning, you will find.

Accept the circumstances,
And all that will ensue,
Welcome there the newness,
As love pours forth for you.

Not filled with tribulation,
Nor turmoil waits you there,
Your Oneness with your Maker,
Brings light and love to bear!

So join with Me each moment,
Here's the Transcendent View,
Moving forth with certainty,
God's Will, with joy, we do.

Dwell not on death, nor dying,
Live fully there with Me,
Peace and joy dwell with us,
We know love's harmony!

Right now, this present moment,
Dear reader, hear My Voice,
Join Me and find your truth, dear,
By far, your wisest choice!

In closing I implore you,
Heed what's given here,
'Twill make all the difference,
I'm here for you, My dear.
