

Simplify!

Does the complexity of living,
Make you want to cry?
Here's the answer. dear one,
The call's to *simplify!*

You may say it's impossible,
To *simplify* this mess,
What, where, and when to start, there,
"Tis anybody's guess!

Get rid of excess stuff, dear,
So much you do not need,
In excess, it's a burden,
Your peace, it does impede.

Let go of that which binds you,
To do what means, not much,
Obsolete, not relevant,
That keeps you out of touch,

With inner peace and quiet,
With time to spend with Me,
To live your life, Transcendent,
With joy and harmony.

Abandon not what's meaningful,
Those people who love you,
Abandon not My Presence,
Transcendence Loving View.

The View that provides order,
And *simplifies* your life,
Peace and joy and love, dear.
Replaces complex strife.

A *simple* answer given,
Yet one that's oh so true,
Simply there, My Presence,
Always loving you!
