

## **A Song Of Easter**

Let not the vision of the cross,  
The tomb, the weeping, there,  
Over shadow what's to come,  
*I rose again, to share,*

The *good news* of eternal life,  
That death, it has no sting,  
*Your spiritual body always lives!*  
With joy, good news, I bring!

We join the throngs in heaven,  
We sing in rhapsody,  
Praises of our Oneness,  
In Love's pure harmony.

Our song rings out in glory,  
*As One, our Love is sent,*  
That's what I came to earth to share,  
That's what My Life has meant.

Easter means renewal,  
It's Resurrection Day,  
So let this Song of Easter,  
Renew you, dear, God's way.

Saved from separation,  
From wandering all alone,  
I am with you always,  
My Love, within, is shown.

Quiet ego's thinking,  
Listen, I'm calling thee,  
I sing *The Song of Easter*,  
Come and join with Me!

A quiet invitation,  
It's personal, my dear,  
No reason to be fearful,  
Call My Name, I'll hear.

In closing, let Me tell you,  
My Love, *for you*, I bring,  
*For you*, these words are written,  
*For you*, this song I sing!
