

Cherish Every Moment

Each day we share together,
Dear, it is brand new,
Seemingly repetitious,
Yet freshness, comes on through.

It's in our constant joining,
As One, we've sacred sight.
Transcendence leads us onward,
And love's our beacon light.

Let's cherish every moment,
Treasure life's value there,
Heed the highest calling,
To love, to give, to care.

These words, though seeming lofty,
Are meant for every day,
Down to earth and simple,
They truly point the way.

To live as God intended,
Joined with Me in MInd,
Where co-creation happens,
Your purpose here you'll find.

Dismiss the tired feeling,
The words, 'same old, same old,'
Invite God's revelation,
In awe, you will behold,

Love shares its radiant beauty,
Its power to transform,
Renewing and redeeming,
Now miracles, the norm!

In closing I will tell you,
I'm with you all the way,
Lets go forth together,
In joy, this very day!
