Perfect, Whole, and Free

Choose to see life clearly, Remove the blockage, there, Take away the impediments, And all that does impair.

The ego's falsification, Limits what is real, Attempts to block true vision, Your identity to steal.

For if you do see clearly, This defense system must go, No longer calling all the shots, No longer runs the show.

What's truly there to experience, God's meaning spiritually, Living love made manifest, All's perfect, whole, and free.

The key to see perfection, Find peace, then ask Me in, We'll clear the vast delusion, Erase the ego's spin.

You'll see the glory of it, God's creation, true, You'll marvel at it's beauty, Its Oneness includes you!

No longer lost nor lonely, No longer filled with fear, No longer blinded vision, At last, true love, is clear!

See yourself as I do, Nothing wrong I see, Created as God holds you, Perfect, whole, and free!
