

Love Meets Every Need

The needs on earth are many,
For life, there, to exist,
There's social and emotional,
And physical needs persist.

Trained to use your thinking mind,
To satisfy each need,
*Yet Transcendent Mind is truly, dear,
Where needs are met, indeed!*

Spiritually, you are complete,
You're Perfect, Whole, and Free,
Everything created,
It, too, moves spiritually!

So truly, manifestation,
In all the realms there be,
Issues forth from God, dear,
His meaning, *love*, you see.

To join with Me seems abstract,
Imagination's faire,
Yet nothing is more real, dear,
Then *love's* abundance there!

Here, within, I'm waiting,
I'm standing at the door,
Knock and I will open,
Love's gifting will outpour.

We'll move as One, together,
I'll guide you to what's true,
*Love will be our beacon,
Needs well met for you!*

*I know your life is changing,
I am your life-raft, dear,
Together we'll get through it all.
Always, I'm right here!*
