

What E'er Befalls You

I'm with you there, we're One, dear,
Each moment of each day,
Through easy times and hard times,
My Presence leads the way.

My love, a firm foundation,
Secure, you are at ease,
When mighty winds are blowing,
With Me, it's just a breeze.

Trouble still may come, dear,
But with love's healing light,
Transcendent Mind will lead us,
Will make what's wrong, all right.

Burdens that you've carried,
Anguish from the past,
Healed, released, forgiven,
You're free, through love, at last!

A poem just points direction,
Just written words, my dear,
But love is real and so am I,
Turn within, I'm here!

And so, what e'er befalls you,
Remember I'm right here,
To guide you through the muddle,
God's love makes all things clear!
