

A Growing Recognition

There's a growing recognition,
Of love's involvement there,
For as things have now unfolded,
You've known, *first hand*, God's care.

The providential timing,
The meeting of the need,
Beyond just pure coincidence,
So marvelously met, indeed!

A lifetime filled with miracles,
Beyond pure happenstance,
God's hand in all that's happened,
Beyond the realm of chance.

You recognize this truth e'en more,
When guided by love's beam,
Joyously, your needs are met,
Beyond what you could dream!

Each day the recognition grows,
How intimate God's care,
You're personal to Him, dear,
He know's His child, right there.

In humble recognition,
With a full and grateful heart,
You yield your life to love's intent,
So you can do your part.

To share the news most helpful.
That *within*, as One, we're bound,
Intimate and present,
True friendship now is found.

Recognize I love you,
Recognize we're One,
Recognize that miracles,
God's gifts, through love, are done!
