

Healed, Forever More!

I'm *witnessing*, dear reader,
To let you know its true,
Living love's the healer,
God's meaning coming through.

In all aspects of my life, dear,
No disharmony,
In spirit, mind, and body,
Wellness dwells with me.

The gnawing of incompleteness,
The bits of fear and doubt,
The remnants of past guilt there,
Are gone! No where about.

My body's aches and pains, now,
Have greatly disappeared,
I asked, Lord, and you answered
My maladies, all cleared.

I've the feeling of well being,
With bubbling joy inside,
Accompanied by Jesus,
As One, we do abide.

Behold, I'm healed completely!
My mind is free and clear,
Love's function everlasting,
A miracle, right here!

I asked you, Lord, for healing,
Felt the power of *living love*,
Ongoing, everlasting,
'Tis what we're all made of!

Have faith and trust in Jesus,
To open up *love's* door,
Ask and it shall be given.
Healed, forever more!
