

In Humble Recognition

Consider what I'm telling you,
Now recognize what's true,
You're much more than you think you are,
God indwells with you!

You're offspring of Creator,
In fact, you're joined in MInd,
Issuing forth from Source, dear,
Transcendence there you'll find.

Not just a random happening,
Your physicality,
You came, as you consented,
To help humanity.

You chose before your birth, dear,
To help the blind to see,
To clear false understandings,
To help set mankind free.

Free to live as God intended,
To cherish All as One,
And open to God's movement,
Like sunbeams from the sun.

Now I am here to help you,
Within, I'll guide you true,
Guide you in what steps to take,
To bring your mission through.

Recognize the power,
That's instilled as *living love*,
God's energy of meaning,
'Tis what you are made of.

Recognize that your free will,
A sacred gift to you,
Is best used when you choose, dear,
To let *God's Will* come through.

I recognize most humbly,
As You have chosen Me,
And give you a sacred promise,
A faithful guide I'll be.

Together, we'll share the good news,
That God's love's what we are,
Connected to our Maker,
Each One, a Shining Star!

In closing let Me share again,
The words given constantly,
I am with you always,
Alone you'll never be.
