

Called to be a Witness

This is a sacred calling,
Should be your prime intent,
To tell the world of Oneness,
How best, your time is spent.

Witness to My Presence,
The love you find *within*,
The joy of our relationship,
And how fulfilled you've been!

Witness to inclusion,
No one's left out alone,
All are One with God, there,
This Oneness can be known.

Witness that God's meaning,
Is *love* beyond compare,
Healing and redeeming,
Dissolving ego's snare.

Tell the world that each one,
Is perfect, whole, and free,
Held in God's Mind, as offspring,
One Sacred Family.

Because you know first hand, dear,
Credibility will come through,
Others will respond, dear,
They'll know that you are true.

So take this calling, seriously,
I'll show you what to do,
And all you there who know Me,
This is your calling, too!

We'll wake the world to Oneness,
'Twill happen one by one,
'Till mission is accomplished,
'Tis how God's Will is done!

A marvelous unfolding,
Love will show the way,
Each step is one step closer,
'Til Oneness rules the day!
