

Answers Will Be Given

Let not worries consume you,
Trust that I'm aware,
Answers will be given,
When they're needed there.

Do not play the 'what if' game,
Where ego portrays doom,
Not grounded in reality,
It darkens mind with gloom.

We'll cross each bridge together,
Each problem we will solve,
God answers every need, there,
Your worries will dissolve.

Mighty trust is called for.
Don't let your fear erase,
Your calm and peaceful mindset,
Filled with loving grace.

Just stay in touch with Me, dear,
And listen fo My voice,
Answers will be given,
You'll hear the perfect choice.

Simply, and with clarity,
Nothing veiled, obscure,
The answers shines in sunlight,
Radiant there, and pure.

God wants you to be joyful,
To bless you every day,
His meaning, living love, there,
Renews in every way!

Answers will be given,
This I promise you,
Beyond your expectations,
Fulfillment will come through.

In closing I restate again,
What you so well have known,
I am with you always,
You are not alone.
