

A Dire Warning!

We're sounding the alarm there,
To let the world know,
We see on the horizon,
A fierce and brutal blow.

We see a world in chaos,
A nightmare coming true,
Not oft in the distant future,
But soon it comes to you!

This poem's a call to action,
Meant to shed some light,
To prepare for a time of crises,
Severe, will be man's plight.

*Prepare by turning inward,
Come to know Me well,
For here you'll have the answers,
To guide you through this hell.*

The scribe feels hesitation,
Does not want to publish this,
For it leaves a lot of questions,
Wants not to lead amiss.

She wants to delete this message,
Instilling alarm's not My way,
And yet, I tell her clearly,
Publish this today!

This is not her ego speaking,
Not a fabricated lie,
Important beyond measure,
Could mean you live or die!

Your response should be to find Me,
Right *within* your mind,
Get to know Me well, there,
Answers there you'll find.

This message is here to guide you,
'Twill help you stay alive,
Listen to the Voice for Truth,
I'll help you to survive.

We'll get through it together,
Gone, the darkest day,
Changed, the world forever,
Mankind will find its way.

Love will be the healer,
Love will transform, renew,
Love God's very meaning,
Will bring the world on through!
