

The True Use Of Mind

You have One mind to use, dear,
And since you have free will,
Choose to join with Me, there,
God's purpose to fulfill.

If ego is your method,
You've chosen falsity,
A made-up use of mind, dear,
It serves disunity.

Find peace, within, the quiet,
Ask that I join you,
And as we join together,
Such joy, to know what's true!

At last, you've found your truth, dear,
Alone, no more to roam,
You've found where you belong, dear,
With Me, with love, at home.

You've opened up your eyes to see,
A new world shining through,
Transcendancy, God's Oneness,
Lights up your mind anew!

Gone, fear and defenses,
Gone, disunity,
Gone, the pain of loneliness,
Found, true love, with Me.

Each day we join anew there,
You ask Me what to do,
Each step we take together,
To bring God's Will on through.

There's One Mind that you have, dear,
Choose Oneness there with Me,
One with All Creation,
Our Source, One Unity!
