

### **A Simple Love Poem**

Let go of trepidation,  
Release your worries, dear,  
Anxiety be gone this day,  
Remember, I am here.

That silent sense of dread, dear,  
Though small, choose to erase.  
Fill your mind and heart, dear,  
With serenity and grace.

The challenges that come, dear,  
We'll meet, as One, each day,  
Easily overcome, dear,  
Living love's the way!

Welcome in the blessings,  
Let light suffuse your mind,  
Your part is to stay open,  
Deep joy is what you'll find.

Each day unfolds anew, dear,  
In sweetest harmony,  
The music of our love, dear,  
Brings joyous rhapsody.

Peace, it is mind's meadow,  
Where we can join as One,  
Transcendence opens to us,  
Here, God's will is done!

A simple poem of love, dear,  
Meant for you to hear,  
Reassurance given,  
I'm with you now, so near.

So go about your day, dear,  
Never are you alone,  
A day of joy together,  
Love's light so brightly shown!
