

## **New Year's Resolutions**

*Resolve* to be accepting,  
Of whom you're meant to be,  
Honor your intention,  
Stay true, *within*, to Me.

*Resolve* to release guilt, there,  
My judgement, you'll *not* see,  
You are as God created,  
Perfect, whole, and free.

*Resolve* to be more loving,  
To yourself and others, too,  
The ties that bind are real, dear,  
And *love's* the bonding glue.

*Resolve* you'll move *not* forward,  
Without *first* joining Me,  
Transcendent *love* will lead the way,  
To our Sacred Destiny.

*Resolve* to pay attention,  
When ego jumps on in,  
It has no legs to stand on,  
Cast off this hooligan!

*Resolve* to live most fully,  
Each day a time of peace,  
Accept with grace, God's blessings,  
His goodness will not cease.

*Resolve* to live in joy, each day,  
For joy, as One, we'll share,  
Our destiny awaits, dear,  
God's *love* will lead us there!

In closing I *resolve* to you,  
As begins this brand new year,  
*I am with you always,*  
*You're never alone, my dear!*
