No Time Like The Present

It's in the present moment, When our minds are joined as One, The Father's light illuminates, How His Will is done.

We listen with intention, The Voice for Truth to hear, We follow what we're given, And gladly, we adhere.

Not far in the future, Nor lost in forgone days, It's in the present moment, Love's light shows us His ways.

What ever lies before us, We go not there alone, We move as One together, In peace, God's love, we're shown.

Now is the right time, dear, To turn off ego's voice, Now 's the time to choose for Me, Transcendency, your choice.

So at this present time, dear, Be still and find your peace, Let's move as One together, Our joy, as One, won't cease.

We'll follow what we're given.
Find joy in it each day,
There's no time like the present,
To live our life God's' way.
